Mrs. Eliza Trowbridge testified to the fact that Mrs. Young sent her to get Dr. Park. the scenes immediately attendant upon the marriage.

Hiram S. Young, cashier in the Deseret National bank, said that he thought Miss Armitage was in a socious condition at the time of the marriage. Among those who were present, he said, were his mother, his wife, Mrs. Wells and Dr. Benedies. He said the woman looked as though she were dying when the ceremony was performed by Mr. Wells.

The testimony of Caroline Chapman, who was acquainted with many immaterial facts in the case, was followed by the reading of the testimony of Lucy G. Young, given at the first trial of the Hilton-Park case. It was introduced to show that Dr. Park at the time of the marriage said he was willing to be sealed for eternity, but would not take Miss Armitage as his

The Consolidated Railway & Power company was yesterday made the defendant in a \$10,000 personal damage suit brought by Benjamin R. Haddock, as administrator of the estate of Edmond Anthony, deceased. Anthony is the young man who was employed as car cleaner and car sweeper, and while at work in the car barns on the night of Aug. 8, 1903, was accidentally killed by a car running over him.

It is asserted in the complaint that the accident would not have happened if the overhead wire in the shops had not been charged with electricity as it was, and had negligence not been manifested by the one who turned on the current in the car which ran Anthony down while he was at work.

court awarded 7,000 she-p to the plaintiff in the action of the Evans-Snyder-Buel company against A. J. Young.

This suit was brought to foreclose a chattel mortgage wherein the sheep had been pledged as security for notes aggregating \$10,000. When payment on the notes became delinquent the Evans-Snyder-Buel company, a Chicago corporation, took possession of the animals on attachment and sued to recover the amount of the loan and sundry damages. The case was argued solely on law points. The defendant claimed that the chattel mortgage and notes were illegal and void, because the plaintiff corporation had, it was alleged, failed to comply with the secretary of state.

The jury was left no alternative, being instructed by the court to bring in a verdict for the plaintiff. As additional balm for the creditor corporation the plaintiff was awarded damages to the amount of I cent. A stay of sixty days was granted the defendant in which to file a bill of exceptions.

BOARD OF PARDONS WILL BE

The question whether Dr. John R. Park, after his celestial marriage, had conducted himself as a married man, or had admitted to society that had a wife, was one that the prosecution attempted to prove in the affirmative yesterday in the suit of Mrs. Anna F. A. Hilton against W. S. Mc-Corniek. She seeks to recover a widow's interest in some property which Dr. Park, her first husband disposed of without her signature, and which was later transferred to the banker.

But eight days now remain until the time set by the court for the execution of Peter Mortensen, and as yet no expressed repentance. The latter part of May the wandering feeling took possession of Mrs. Nelson again, and since then she has falled to return. Judge Samuel W. Stewart yesterday granted the husband a divorce and gave him the custody of their children. The couple were married in this city in April, 1893.

Kansas City, Mo., Ncv. II.—W. H. Murray of San Francisco, who was injured in the Santa Fe wreck at Dean, Mo., two weeks ago, when Mrs. Booth-Tucker was killed, passed through Fort Madison, Ia. While badly hurt, Mr. Murray says that he received no permanent injury.

Mr. Murray was accompanied by his son, Warren E. Murray, who came east to conduct his father home.

Mr. Murray says that Colonel Thomas Holland, head of the Salvation Army colony at Amity, Colo., also a victim of the Dean wreck, and who was believed to be fatally injured, will leave the hospital at Fort Madison on Friday, when he will return to Colorado.
